## MEDIA RELEASE

27 August 2018

### Dover Sports Centre

Huon Valley Council with the support of Dover District School has implemented a process to enable the Dover Sports Centre to be hired and utilised by the Dover community.

The Centre contains a multi-court suitable for netball, indoor soccer, badminton and basketball and has a small climbing wall section and the space could be used for a multitude of activities.

Details on how to hire the facility can be found on the Council website.

Huon Valley Council Commissioner Adriana Taylor says the Centre, located at the Dover District School is being underutilised.

“It’s a great facility that isn’t being used to its full potential.

“We encourage suggestions from people in the area about what they want to use the Centre for and what sort of classes and activities would they like to see in the Centre?”

“We’d like to hear ideas about what activities or classes Council can help provide at the Centre.

“At this stage we’d like people to go to the Council website and leave their feedback,” Commissioner Taylor said.

The feedback form is at the following page
