

Community Engagement

HUONVILLE SOCCER & ATHLETICS CLUBROOM

Level of Engagement: Inform

Background.....

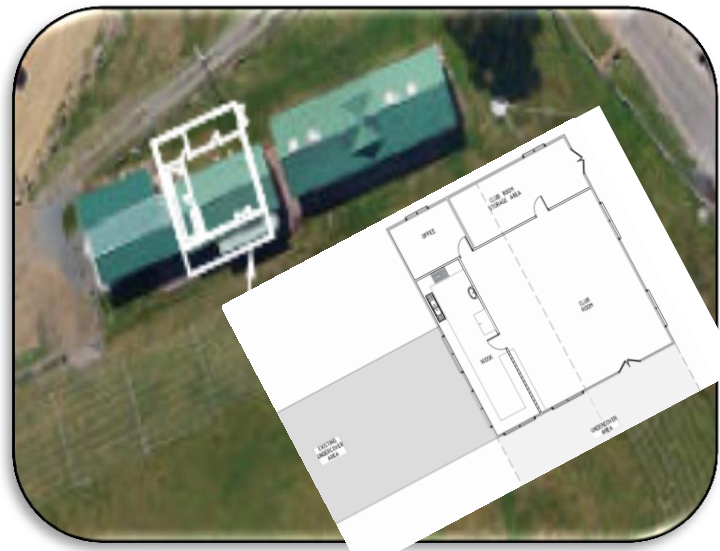

The Huonville Soccer & Little Athletics clubrooms and kiosk is a council owned facility that no longer meets Australia Standards and is not providing the necessary level of service to the community. This redevelopment is funded under Council's Asset Renewal 2018 – 2019, Capital Works Program. The design will deliver clubrooms with a kiosk, office and storeroom whilst utilising the pre-existing shelter for both clubs. .

Considerations...

The design of the building has been developed in consultation with the Huonville Recreation Committee. In designing the facility the following elements were considered:

- Need for a purpose built facility to replace the aged and substandard existing building.
- To provide a suitable building/clubrooms to the community.
- Consideration of surrounding amenity designs.
- Australian Standards.

The Outcome...

The clubrooms will service the sporting groups that utilise the grounds and provide the community with improved service delivery.

The kiosk design will meet Australian Standards for food preparation.

Where to from here...

- Stakeholder Engagement
- Permits Acquired
- Procurement Process Completed
- Construction Completed
- Inform Community of Project Completion
