## MEDIA RELEASE

2 August 2018

### **Mountain River Hall Management Committee EOI**

The Huon Valley Council is calling for Expressions of Interest (EOI) from members of the community who would like to become involved in forming a Mountain River Hall Management Committee.

Huon Valley Council Commissioner Adriana Taylor says the hall committees are a great way for the community to 'take ownership' of the day-to-day running of local amenities.

"The Management Committees are responsible for the management of the halls.

"They act as an advisory and liaison body between the Council, the community, individuals, and clubs and organisations who may use the hall, as well as encouraging public interest and promoting the halls to maximise their use and viability.

"We had a successful pop-up playgroup in the Mountain River Hall recently that was very well attended and the feedback we received was extremely positive.

"It's a great local facility for the community and can have the added benefit of increasing community cohesion as a focal point for activities," Commissioner Taylor said.

Please visit the Council website homepage for the EOI form or call 6264 0300.

The Expression of Interest period closes on Friday 17 August at 5pm.
