

# Reconciliation Action Plan Survey

*The Huon Valley Council acknowledges the Traditional Owners of the South East Nation, the Melukerdee people of the Huon River and the Lyluequonny people of the Far South. We recognise their continuing connection to land, water and culture, and pay our respects to their Elders past, present and emerging.*

The Huon Valley Council has begun development of a Reconciliation Action Plan (RAP). We want to know what reconciliation means to you, and how you want to see Council move forward on the reconciliation journey.

We encourage everyone to have their say and respect that there will be different opinions about reconciliation.

The ideas and feedback received through this survey will directly shape the actions set out in the RAP and influence how we approach them.

If you run out of space for your answers, please feel free to attach an extra page to the survey.
