New location for Huonville's childcare programs

Huon Valley Council is pleased to announce a new location in Huonville for its childcare programs.

As of Monday 15 April 2024, Outside School Hours, Early Morning Care and Vacation Care programs will be operating from the new site at 74-82 Wilmot Road, Huonville.

Council is committed to addressing the acute need for childcare, with the initial focus on the large waiting list at the Huonville Early Learning and Care Centre.

The new location gives educators the space to provide programs to specific age groups, with rooms designed for Kinder to 8-year-olds and 9 to 12-year-olds.

The new site is spacious and safe and will provide school aged children with a fantastic environment to play, learn, and engage in a variety of activities.

Families can expect the same dedicated team of educators providing quality care and support to the children attending these programs.

"We are excited by this opportunity and look forward to welcoming families to this new site," said Huon Valley Mayor Sally Doyle.
